Heroes for Kids Capital Campaign –

There are multiple naming opportunities available in our new hospital and we would be happy to send an informational packet with more detail. An electronic Wall of Honor is being created in the new building to recognize donor participation in an appropriate and dignified manner. The Wall of Honor will include the names of individual and family donors, businesses, foundations and organizations, including Shrine Temples, Clubs and Units that have made substantial contributions to the Heroes for Kids Capital Campaign.

Fundraiser in a Box – Is your family, organization or company looking to build camaraderie and instill the spirit of giving? Consider adopting us as your charity of choice by organizing a simple fundraiser. Our "Fundraiser in a Box" program includes five easy-to-conduct fundraisers along with additional information, including "how-to" descriptions and sample forms that can be easily personalized. We can snail mail the kit to you (email us with your name, address, phone and email) or you can check out shrinershospitalforchildren.org/stlouis and download everything yourself!

Special Tributes – Donors may wish to create a tribute in memory or honor of a loved one or friend. Acknowledgment letters are mailed in keeping with IRS regulations. When next of kin name and address information is provided, we will send notification letters letting them know gifts were made. For privacy reasons, the specific gift amounts are not listed.

Pledges – A pledge allows donors to make a larger donation over a period of time. Our fundraising efforts are significantly enhanced by these types of gifts. Donors can extend pledge payments over a 2-5 year time period and reminders can be sent at agreed upon intervals.
